

Tom Weston Miniature 2mm Belmex Pistol

\$849.90

This is the 2 1/4inch Weston Belmex 2mm rimfire pistol, made by Tom P. Weston of Mexico City, Mexico, blued with original wood grips. This is in excellent condition for its age, with these made between 1940's and 1950's. There are believed to be only 200 of these guns ever made. The design is his "twist to the side" to load gun which was popular during the mid to late nineteenth century. This item also comes with Four 2mm rim fire caps, the original velvet and silk lined wood box, and original extractor. Normally, these hardly ever come with all these original items. This is listed in Bob Urso's book; "The Tiniest Guns" on page 72 as M1 Weston, Belmex.
